

Substances of Very High Concern (SVHC) of REACH Compliance

BrightKing has been complying with the 30th edition of SVHC list (240 in total), which was issued by ECHA on 23-Jan-2024. Detailed information can be found both on ECHA website (<http://echa.europa.eu>) and ours (<http://brightking.yageo.com>).

We hereby declare and assure that all BrightKing products are conformed to the SVHC of REACH regulation except TVS (including Hyperfix)、SJD series of ESD、TSS and SPG and rectifier diode series (excluding small signal switching diodes). These products have lead element (Pb) contents higher than limit and are exempt according to the European Union RoHS directive exemption clause 7(a) and 7(C)-I. For more details, please refer to the SVHC test reports issued by SGS and our material composition lists.

Sincerely

YAGEO CORPORATION
BESTBRIGHT ELECTRONICS CO.,LTD
